

Dear Colleagues,

We cordially invite you to submit your research papers to the 2026 IEEE 20th International Conference on Computer Science and Information Technologies (CSIT). IEEE CSIT is a part of IEEE Lviv Polytechnic Week and one of major scientific event for IEEE community of the Lviv Polytechnic National University.

The main goal of the Conference is to serve as a platform for the development of the IEEE employees and students Community of Lviv Polytechnic National University. Also the Conference serves as a premier forum for researchers, engineers, and practitioners to present and discuss the latest advances, trends, and challenges in the field of Computer Science and Computation Intelligence.

→ **IMPORTANT DATES**

- August 20, 2026: Submission deadline
- September 20, 2026: Notification of pre-acceptance and peer reviewers' comments
- September 25, 2026: Notification of final acceptance
- September 26, 2026: Deadline for covering the conference fee

→ **CONFERENCE TRACKS** (IN COMPLIANCE WITH IEEE SOCIETIES' SCOPE)

#1. COMPUTATIONAL INTELLIGENCE

- Artificial intelligence methods
- Neural networks and deep learning architectures
- Large Language Models (LLMs)
- Text analysis
- Fuzzy systems
- Evolutionary computation
- Knowledge engineering

Includes: [International Workshop on Inductive Modeling](#)

#2. COMPUTER SCIENCE

- Computer networks
- Embedded software and cyber-physical systems design
- Cloud computing security
- Data integrity and internet privacy
- Blockchains
- Steganography and information security
- Data processing and data analysis
- Data mining and Big Data applications

Includes: [II International Workshop on Cognitive Metaverse: Beyond Traditional Reality](#)

#3. COMPUTER SCIENCE EDUCATION

- Learning management systems
- Hybrid learning and digital learning platforms
- Open educational resources
- Immersive learning environments

→ **SUBMISSION GUIDELINES**

Authors must strictly adhere to the following requirements:

- **Paper Length & Authorship:** All submissions must be 4 full pages to max 6 full pages long, with a maximum of 6 authors per paper.
- **Author Limits:** A single individual may be listed as an author or co-author for a maximum of two papers submitted to the conference, including international workshops.
- **References:** Authors are expected to cite only relevant sources. It is recommended that the rate of self-citation does not exceed 15–20%.
- **Language:** English is the official language of the conference, including oral presentations.
- **Originality & Integrity:** Papers must be original and not concurrently submitted to any other journal or conference. Submissions that fall outside the conference scope or fail to meet academic integrity standards, will be desk-rejected without further discussion.

→ **REGISTRATION FEES**

- IEEE Member: 250 EUR
- Non-IEEE Member: 300 EUR
- IEEE Student / Life IEEE Member: 150 EUR
- Student Non-IEEE Member: 200 EUR
- **Discounts for Ukrainian Participants:** For participants from Ukraine, discounts up to 95% are available. Detailed criteria at <http://csit.ieee.org.ua/>.

→ **PUBLICATION & INDEXATION**

- **"No-Show" Policy:** Papers that are not presented at the conference ("no-show" papers) will be excluded and will not be submitted to any abstracting and indexing databases.
- All accepted papers, which are orally presented at the conference, will be submitted for inclusion to the IEEE Xplore Digital Library (Scopus and Web of Science indexation) subject to meeting IEEE Xplore's scope and quality requirements.
